Backgammon Club

Are you interested in playing backgammon or learning how to play backgammon? Regardless of whether you are just getting started or a "seasoned" player this is your opportunity to join others with the same interests. This club offers the opportunity to learn tips on how to become a better backgammon player, develop strategic thinking, and to just have fun!

All SFEA members from beginner to advanced are welcome to come and play.

Play is in the H-4 break area during the lunch hour. There will be tournaments to participate in, and stats will be kept.

Enrollments will be accepted throughout the year. Please direct questions regarding this club to Ron Barnette, 763-2863 or SFEA Board Member Kentrica Coleman, 735-1648.
